

DARCH FIRE

2011 NFPA PUMP TESTING

At Darch Fire there are no short-cuts taken and no "quick" pump tests performed. Our testing conforms with NFPA guidelines. When it matters most, you can rest assured that your equipment will perform to the capacity for which it was designed

PUMP TESTING DONE AT YOUR LOCATION OR OURS
*
MOST REPAIRS AND ADJUSTMENTS MADE ON THE SPOT
*
MOBILE UNITS CARRY A LARGE INVENTORY OF REPAIR PARTS
*
COORDINATE WITH SURROUNDING DEPARTMENTS TO SAVE ON TRAVEL COSTS

The Service Department at Darch Fire is staffed by licensed heavy truck technicians. Our technicians who provide service and repairs throughout the province, are also Certified Emergency Vehicle Technicians.
